WHY EQ?

We pride ourselves on our service, and using our experience, expertise and understanding of horses we can make the design of your horsebox an exciting, easy and stress-free experience.

Our many interior and exterior options allow you to design a horsebox to your taste, but we'll be there to offer advice and guidance every step of the way. The estimate highlights some of our key design features, but this list is far from exhaustive. A full specification discussion will take place as part of our ordering process.

A huge amount of craftsmanship and thought goes into an EQ horsebox and our goal is to provide a stunning, yet practical horsebox at an affordable price.

Established since 2002, we have the depth of experience spanning over 25 years in the supply of top-quality, coach-built horseboxes.

HAPPY CUSTOMERS

Our beautiful lorry has been everything we'd wished for. The specification chosen and assisted by you exactly fits our needs. She has been a real head turner wherever we go.

Thank you for all your help and experience whilst it was in build. Here's to many miles and seasons ahead.

EQ build perfection that is practical.

The professionalism shown by all the team from EQ was outstanding and we couldn't imagine working with anyone else for such a venture! We would go through the whole process a million times over, thanks to them!

Corinne Farrugia from Malta
