WHY EQ?

We pride ourselves on our service, and using our experience, expertise and understanding of horses we can make the design of your horsebox an exciting, easy and stress-free experience.

Our many interior and exterior options allow you to design a horsebox to your taste, but we'll be there to offer advice and guidance every step of the way. The estimate highlights some of our key design features, but this list is far from exhaustive. A full specification discussion will take place as part of our ordering process.

A huge amount of craftsmanship and thought goes into an EQ horsebox and our goal is to provide a stunning, yet practical horsebox at an affordable price.

HAPPY CUSTOMERS

“Our beautiful lorry has been everything we’d wished for. The Specification chosen and assisted by you exactly fits our needs. She has been a real head turner wherever we go.

Thank you for all your help and experience whilst it was in build. Here’s to many miles and seasons ahead.

EQ build perfection that is practical.”

Bev Dixon

“We are having a great first trip away in our fabulous truck!! We are the envy of many. The truck has won its first ribbons today with Bridget getting 6th in 1.20m Class and Pippa picking up a 3rd in the 1.10m, we are in Christchurch at the National Showjumping Championships.”

Maria Collins

“It has been a total pleasure buying our new 12 tonne horsebox from EQ. The EQ team have been amazing to deal with from initial enquire to delivering the box to our door. It is a very professional company and their quality spec of box matched our safety & comfort requirements fully for transporting racehorses & showjumpers within U.K. & Europe. I cannot recommend this company highly enough to deal with & their boxes are of excellent quality standard.”

Sir AP McCoy & Lady McCoy

Water for Life

EQ supports fresh2o which means a percentage of our sales go towards fresh water and sanitation projects. By choosing us you can be proud that you're helping to save lives, improve health and solve the global water crisis. We'll even recognise your support by naming a field project in your honour! You can find out more at www.fresh2o.org
