Our many interior and exterior options allow you to design a horsebox to your taste, but we'll be there to offer advice and guidance every step of the way. The estimate highlights some of our key design features, but this list is far from exhaustive. A full specification discussion will take place as part of our ordering process.

A huge amount of craftsmanship and thought goes into an EQ horsebox and our goal is to provide a stunning, yet practical horsebox at an affordable price.
